HOW DO WE KNOW OUR PORTABLE FRIDGE/FREEZERS WORK? WE TESTED THEM IN THE AUSTRALIAN DESERT

When the weather's hot and you're in a remote location, a reliable compressor fridge/freezer is almost as important as a reliable vehicle. That's why we stress-tested our CFX series fridge/freezers in the western desert of Australia, where daytime temperatures often reach 40 °C. After three months of operation in one of the

most inhospitable climates on earth, we can tell you our products never lost their cool. In fact, not only can these fridge/freezers withstand the heat of the sun, they're ideal for running on solar power – thanks to superb power efficiency. In 2017 alone, we sold more than 2 million units globally.

FOOD & BEVERAGE

PORTABLE REFRIGERATION / FRIDGE/FREEZERS & COOLERS

CFX SERIES PORTABLE FRIDGE/FREEZER

Specifically designed to fit all kinds of vehicles, the CFX Series is a range of compact portable compressor fridges and/or freezers to keep food and drinks well chilled or even frozen while out on the road. The range includes a variety of models including an ultra-compact cooler and one with two separate temperature zones for simultaneous cooling and freezing.

POWERFUL COOLING

AWARD-WINNING

ROBUST

DOMETIC WAECO CFX 75DZW

Portable fridge/freezer, 113 cans

A highly impressive 75 l dual zone fridge and freezer with easy operation and capable of heavy-duty operation. The Dometic Waeco CFX portable fridge/freezer has excellent cooling performance, even in high ambient temperatures. Robust construction, powerful and efficient cooling, this model even allows convenient temperature control via its WiFi app! Achieve independent temperatures from two separate cooling compartments.

The CFX is our most awarded product and you'll quickly understand why.

- Large gross capacity of 75 l (45 l and 30 l compartments)
- Store fresh food and drinks effortlessly with three removable wire baskets and space to fit up to 113 cans and ability to fit upright Riesling bottles
- Two separate compartments for cooling and freezing in any combination desired to be set - freezer/freezer, freezer/fridge or fridge/fridge
- Easy-to-use WiFi app to help set, control and monitor temperatures in each compartment from a mobile device
- Both lids are completely separate, detachable and reversible for functional use
- Both compartments can be set between +10 °C to -22 °C, with the ability to run at -18 °C simultaneously at ambient temperatures up to 32 °C
- Energy efficient compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures

See page 8 for more details.

Configuration	45 l Compartment	30 l Compartment
1	Fridge	Freezer
2	Freezer	Fridge
3	Fridge	Fridge
4	Freezer	Freezer
5	Either compartment can be OFF whilst other in operation	

CFX FRIDGE/FREEZER MONITORING APP

Monitor and control your fridge whilst on the move.

This app is exclusive to the CFX fridge/freezer range* and is available to download on your Android or iOS phone or tablet.

WIFI ENABLED APP FEATURES

- WiFi enabled smart phone app
- Download for iOS via the App Store or for Android via Google Play. Simply search 'CFX' (only one device can be connected)
- Set & monitor the temperature of your fridge/freezer
- Temperature alarm function
- Set or review your preferred battery protection level
- Lid open alert
- Displays supply voltage type (AC or DC)
- Displays DC voltage level
- Displays low voltage alarm
- Full details & FAQ's can be found via dometic.com

*Excluding CFX 28

ENERGY EFFICIENT GENUINE WAECO COMPRESSORS WITH INTEGRATED AC ELECTRONICS

The genuine WAECO compressors are the result of significant R&D investment, designed with input from Dometic WAECO engineers in order to fulfil performance requirements based on the Australian climate, usage and road conditions. The WAECO electronics via VMSO2 are matched to support the extreme (-22 °C) capability and also contribute to the power efficiency of the WAECO CFX.

VMSO MK2 VARIABLE MOTOR SPEED OPTIMISATION PROVIDES FAST AND EFFICIENT COOLING OR FREEZING

The unique VMSO Mk2 technology in the CFX range ensures optimal compressor speed according to the set temperature. Building on VMSO first deployed in the CF range, the upgraded VMSO Mk2 provides an even softer start for the compressor. It now takes the compressor turbo speed to higher RPM than before, until set temperature is reached, after which the speed drops back to economy mode. For very cold freezer set temperatures, the compressor remains at turbo speed after the soft start. This technology is extremely effective in all weather conditions, especially when hot. Benefits include even faster and more energy efficient cooling with reduced wear and tear on the compressor.

THE SPECIAL CFX ELECTRONICS

The Dometic CoolFreeze CFX has some seriously impressive features. Firstly, there's the CFX Special Electronics which include an intelligent automatic turbo cooler and memory function. Then not only is it suitable for deep freezing down to -22°C but it can also operate on solar power. Plus, regardless of the outside temperature, this cooler will provide a first class, superbly quiet cooling performance. You can take this amazing fridge/freezer wherever you go! Fitted with heavy-duty details like reinforced corners, stainless steel hinges and a robust lid lining, the hi-tech coolers in the CFX series can withstand the most demanding of loads. The CFX 35W to CFX 95DZW models give you the convenient option of controlling and monitoring the cooling temperature by WiFi app.

- Fully hermetic WAECO compressor with integrated control electronics
- Low voltage protection adjustable for leisure and starter battery via electronic system
- Electronic fuse/automatic reverse pole protection
- Dynamically ventilated condenser
- Aluminium rollbond evaporator

DOMETIC WAECO CFX 28

Portable fridge/freezer, 43 cans

- Generous gross capacity of 28.2 l, to fit up to 42 cans and upright 2 l soft drink bottle
- Optional quick release fixing kit allows secure install with mobility
- Designed with the driver in mind, the Polypropylene lid can be opened from the short side, is detachable and the inside shelf is at the back so it's easy to reach in
- Ability to set temperatures between 10°C to -18°C (normal use) with the ability to run at -22°C up to 50°C below ambient temperature
- Energy efficient genuine compressor technology provides fast and efficient refrigeration and freezing, even in extremely high outside temperatures
- Rugged features and robust design – made to endure extreme environments
- Store fresh food and drinks effortlessly with removable wire basket with divider

Ref No. 9105306503

DOMETIC WAECO CFX 35W

Portable fridge/freezer, 47 cans

- Generous gross capacity of 34.5 l to fit 47 cans and a standard 2 l soft drink bottle upright
- Easy-to-use Wi-Fi app to help set, control and monitor temperatures in compartment from a mobile device
- Polypropylene lid is completely detachable
- Ability to set temperatures between 10°C to -18°C (normal use) with the ability to run at -22°C up to 50°C below ambient temperature
- Energy efficient compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures
- Rugged features and robust design – made to endure extreme environments
- Store fresh food and drinks effortlessly with removable wire basket with divider

Ref No. 9105306495

DOMETIC WAECO CFX 40W

Portable fridge/freezer, 60 cans

- Generous gross capacity of 41 l to fit 60 cans and a standard Riesling bottle upright
- Easy-to-use Wi-Fi app to help set, control and monitor temperatures in compartment from a mobile device
- Polypropylene lid is completely detachable
- Ability to set temperatures between 10°C to -18°C (normal use) with the ability to run at -22°C up to 50°C below ambient temperature
- Energy efficient compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures
- Rugged features and robust design – made to endure extreme environments
- Store fresh food and drinks effortlessly with removable wire basket with divider

Ref No. 9105306496

DOMETIC WAECO CFX 50W

Portable fridge/freezer, 72 cans

- Generous gross capacity of 50 l to fit 72 cans and a standard Riesling bottle upright
- Easy-to-use Wi-Fi app to help set, control and monitor temperatures in compartment from a mobile device
- Polypropylene lid is completely detachable and reversible for functional use
- Ability to set temperatures between 10 °C to -18 °C (normal use) with the ability to run at -22 °C up to 50 °C below ambient temperature
- Energy efficient compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures
- Rugged features and robust design – made to endure extreme environments
- Store fresh food and drinks effortlessly with removable wire basket with divider

Ref No. 9105306497

DOMETIC WAECO CFX 65W

Portable fridge/freezer, 106 cans

- Large gross capacity of 65 l to fit 106 cans and a standard Riesling bottle upright
- Easy-to-use Wi-Fi app to help set, control and monitor temperatures in compartment from a mobile device
- Polypropylene lid is completely detachable and reversible for functional use
- Ability to set temperatures between 10 °C to -18 °C (normal use) with the ability to run at -22 °C up to 50 °C below ambient temperature
- Energy efficient compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures
- Rugged features and robust design – made to endure extreme environments
- Store fresh food and drinks effortlessly with removable wire basket with divider

Ref No. 9105306498

DOMETIC WAECO CFX 75DZW

Portable fridge/freezer, 113 cans

- Large gross capacity of 75 l (45 l and 30 l compartments)
- Two separate compartments for cooling and freezing in any combination desired to be set - freezer/freezer, freezer/fridge or fridge/fridge
- Easy-to-use WiFi app to help set, control and monitor temperatures in each compartment from a mobile device
- Both polypropylene lids are completely separate, detachable and reversible for functional use
- Both compartments can be set between 10 °C to -22 °C, with the ability to run at -18 °C simultaneously at ambient temps up to 32 °C
- Energy efficient genuine compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures
- Store fresh food and drinks effortlessly with three removable wire baskets and space to fit up to 113 cans and ability to fit wine bottles upright

Ref No. 9600001410

DOMETIC WAECO CFX 95DZW

Portable fridge/freezer, 133 cans

- Energy efficient genuine compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures
- Two separate compartments for cooling and freezing in any combination desired to be set - freezer/freezer, freezer/fridge or fridge/fridge
- Easy-to-use WiFi app to help set, control and monitor temperatures in each compartment from a mobile device
- Both polypropylene lids are completely separate, detachable and reversible for functional use
- Both compartments can be set between 10 °C to -22 °C, with the ability to run at -18 °C simultaneously at ambient temps up to 32 °C
- Energy efficient compressor technology provides fast and efficient cooling and freezing, even in extremely high outside temperatures
- Store fresh food and drinks effortlessly with three removable wire baskets and space to fit up to 133 cans and ability to fit Riesling bottles upright

THE COMPACT SERIES THAT CAN GO ANYWHERE

CF/CFF SERIES

CF SERIES

The compact CF series that can go anywhere

With a handy shoulder strap (CF 11 only) and carry handles, the CF Series is a range of compact fridge/freezers that you can take anywhere. Super-slim and easy to fit in the smallest of spaces, the CF fridge/freezers can deep-freeze food and drinks with minimal power consumption. Offering greater convenience the CF Series is even lighter than its predecessor thanks to its new compact compressor.

CFF SERIES

A great companion for embarking on life's greatest adventures

This series is designed to keep adventurers off the grid for longer, integrating impressive cooling or freezing with efficient interior storage. Whether it's storing for short stays, long trip dinners, or wine and soft drink bottles, the CFF series makes the most of its optimized capacity and allows everyone to enjoy everything cool that Dometic has to offer.

NEW! CFF 45 COMPRESSOR FRIDGE OR FREEZER

DOUBLE-SIDED
OPENING LID

The mid-sized Dometic CFF 45 boasts a digital electronic control system and can keep its interior as low as -18°C . Families will enjoy the convenience of being able to choose between a fridge or a freezer, allowing them to pack for short stays or long trip dinners. Its new and improved handles provide comfort like never seen before. The 43.5 l capacity can hold wine and soft drink bottles upright, meaning the CFF 45 is a great companion for any adventure.

The integrated compartment allows for a more effective use of storage space, whilst the generous insulation optimises cooling performance and energy efficiency. The innovative double-sided opening lid is a first for Dometic portable refrigeration, providing consumers with a portable fridge or freezer that is user-friendly, robust and easy on the eye.

DOMETIC COOLFREEZE CF 11

Fridge or freezer, 13 cans

- 12 or 24 V DC, 100-240 V AC
- Storage volume of 10.5 l
- Refrigeration from +10 °C to -18 °C
- Lightweight at only 8.5 kg
- Refrigeration or freezing
- Extremely compact, super-slim design
- With shoulder strap for easy transport

DOMETIC WAECO CF-18

Fridge or freezer, 27 cans

- Extremely compact design
- Storage volume 18 l
- Refrigeration and deep-freezing
- Compact compressor, therefore light in weight
- 12 or 24 V DC
- Refrigeration from +10 °C to -18 °C

DOMETIC CFF 45

Fridge or freezer, 62 cans

- 43.5 l of storage for convenient cooling
- Single compartment allows either refrigeration or freezing
- Energy efficient design provides fast and excellent cooling and freezing, even in extremely high outside temperatures
- Optimised footprint allows it to be used with the CFX-SLD35/40 fridge slide
- Double sided opening lid

COOLPRO

HIGH-TECH FOOD COOLER AND WARMER

The CoolPro series contains high-tech small lightweight coolers to take wherever you go. They feature an intelligent power-save circuit, individually adjustable temperature controls and cooling performance up to 25 °C below the ambient temperature. Not only does a CoolPro cool but it can also keep food warm with an additional heat function that can warm up to +65 °C.

DOMETIC WAECO COOLPRO TC 14

Portable cooler

- Storage volume of 14 l
- Cooling up to 25 °C below external temperature
- Heating up to +65 °C
- Intelligent power-save circuit
- Special electronics with a new soft-touch control panel
- Seven-level temperature regulation
- Multiple power sources: 12/24 V DC, 230 V AC

Ref No. 9105302047

MORE COOL FUN ON THE MOVE

THE COMBICOOL ABSORPTION COOLER OFFERS A SINGLE COOLING APPLIANCE FOR ALL SITUATIONS. THE MULTI-PURPOSE CA-35 IS AN EFFICIENT QUICK CHILLER.

DOMETIC COOLFUN CA-35

33 l Absorption cooler

The Dometic CombiCool Absorption Cooler offers a single cooling appliance for all situations. Switch from 12 V DC whilst on the road, in your car, caravan or motorhome, to LPG gas or 240 V mains at your destination.

- Gas operation in a remote location
- Convenient 240 volt hook-up at the campsite
- Power supply from the cigarette lighter socket in cars or motorhomes

Dimensions (W x H x D) mm: 520 x 454 x 515

Weight: 19.5 kg

Ref No. 9105303534

COOL ICE

Ice boxes in heavy duty design

Dometic iceboxes feature an extremely effective insulation system. Once filled with ice, they can keep groceries, drinks, fish, and bait fresh for several days. The new facelift models of the popular Cool Ice series are even cooler. Practical accessories like seat cushions, fishing rod holders and bottle openers make them indispensable companions for beach-goers, fishermen, and other adventurers. The modular storage system, consisting of wire baskets and dividers, help to organise food and drink neatly.

EASY LOCK AND SEAL

Lock and seal cold air inside for longer lasting ice

EASY TO CARRY

Strong carry strap makes transportation easy (WCI models only)

STRONG DROPDOWN HANDLES

Strong, ergonomic handles for easy transport

ROBUST DESIGN

Robust designed handles

TIE-DOWN POINTS

Integrated tie-down points below handles

KEEP ICE FOR UP TO 10 DAYS*

The labyrinth seal prevents any heat from making its way into the interior

* Ice will last from 3 to 10 days depending on usage and conditions

DOMETIC COOL ICE WCI 13

GETTING THERE IS UP TO YOU STAYING THERE IS UP TO US

Our cooking, sanitation and climate products will make you
feel right at home, no matter where you are.

CFX ACCESSORIES

Accessories for the compact portable fridge/freezer range

Specifically designed to maximise functionality, these accessories are a must for owners of CFX portable fridge/freezers. The range includes protective covers to keep the fridge/freezers insulated and improve efficiency, fixing kits to secure the units in vehicles, and fridge slides to allow easy access.

The CFX insulated protective cover helps keep portable fridge and freezers insulated for improved efficiency and prevents external damage from the outside elements. It is a practical accessory with outside pockets to store small items, direct access to the controls, four fixing rings to secure safely in the vehicle.

DOMETIC CFX-IC28 - CFX-IC95100

Protective cover

- Extra insulation from extreme outside temperatures
- Conserves battery power and improves overall efficiency
- Made from high quality Oxford nylon fabric, hard-wearing rubber coated nylon and aluminium coated polyester
- Open panels for handles and connection plugs
- Protects against dirt, dust, sand, moisture and water splashes - keeping it like new

DURABLE ZIPS

Heavy-duty zips are built for long-lasting performance

TRANSPARENT WINDOW

Allows view of LED display and gives access to the power and temperature buttons

ENERGY EFFICIENT

Insulating material improves energy efficiency

ADDED STORAGE

Useful storage pockets for cords and other accessories

EASY ACCESS

Cut-out section for easy access to AC and DC ports

VENT ACCESS

Avoids overheating and ensures reliable performance

DOMETIC CFX-28 FIXING KIT

Fixing kit

- Suitable for the CFX-28 only

Ref No. 9105306218

DOMETIC CFX FIXING KIT

Fixing kit

- Suits all CFX portable fridge and freezers

Ref No. 9108300002

DOMETIC CFX CORNER CAP/BRACKETS 75

Corner caps for CFX 75DZW

- Made from strong acetal material
- Installation tool and screws included

Dimensions (W x H x D) mm: 90 x 90 x 48
Ref No. 9600013945

DOMETIC CFX CORNER CAP/BRACKETS 95

Corner caps for CFX 95DZW & CFX 100W

- Made from strong acetal material
- Installation tool and screws included

Dimensions (W x H x D) mm: 90 x 90 x 48
Ref No. 9600013946

DOMETIC CFX-SLD35/40

Fridge slide

- Convenient access to fridge and freezer secured in the vehicle
- Up to 100 kg max load capacity
- Secure fridge/freezer to slide with tie-down straps or screws from underneath

Dimensions (W x H x D) mm: 476 x 79 x 791
Extended: D1451 mm (inc. lever)
Weight: 16.5 kg
Ref No. 9108300001

DOMETIC CFX-SLD50/65

Fridge slide

- Convenient access to fridge and freezer secured in the vehicle
- Up to 100 kg max load capacity
- Secure fridge/freezer to slide with tie-down straps or screws from underneath

Dimensions (W x H x D) mm: 533 x 79 x 791
Extended: D1451 mm (inc. lever)
Weight: 17 kg

LESS PUMP

This effective system requires less pump action

PUSH BUTTON OPERATION

A simple push button operation

LESS MESS

Less mess due to an extra-long pivoting discharge spout

ADDITIVES & CONSUMABLES

TOILET TANK CARE

No mess and no excess, just highly efficient pre-measured sanitation in a tab. Standard sanitation fluids add unnecessary weight onboard, and it's easy to spill or use too much. These highly effective sanitation tabs are much lighter than a bottle and take up minimal storage

space. Your hands stay clean and there is no more experimenting as the optimum amount always ends up in the tank rather than on your hands or the floor.

DOMETIC POWERCARE TABS

Sanitation Additive

- No spills or mess
- The dose is pre-measured so no possible overdosing and waste
- Easy storage in a handy tub
- Suitable for all portable and cassette toilets
- Fast breakdown of waste without the build-up of unpleasant gas or odours
- Lighter in weight and less cumbersome than liquids
- Ready to use tabs in a soluble film

Ref No. 9600000125

DOMETIC GREENCARE TABS

Sanitation Additive

- An environmentally friendly toilet tab that doesn't cost the earth
- The dose is pre-measured – preventing overdose and waste
- No spills or mess
- Suitable for all portable and cassette toilets
- Fast breakdown of waste without the build-up of unpleasant gas or odours
- Ready to use tabs in a soluble film
- Tabs are much lighter than a bottle and take up minimal storage space

Ref No. 9600000133

DOMETIC EXTRA CARE PINK

Sanitation Additive

- Provides a micro-thin protective layer against stains
- Protects the workings of your toilet to ensure a smoother flush
- Pleasant fragrance from an integrated deodoriser
- Has a handy dose measuring strip on the bottle
- Suitable for all portable and cassette toilets

Ref No. 9107200001

DOMETIC POWER CARE BLUE

Sanitation Additive

- A new and improved formula where one dose can last up to four days
- Highly effective at breaking down waste and preventing nasty odours
- Works even after freezing and thawing
- Has a handy dose measuring strip on the bottle
- Has a fresh and pleasant fragrance

Ref No. 9107200002

DOMETIC SPECIAL CARE GREEN

Sanitation Additive

- Awarded with the ecological hallmark
- Environmentally friendly without compromising on performance
- Works even after freezing and thawing
- Has a handy dose measuring strip on the bottle
- Accepted at all campsites
- Has a fresh and pleasant fragrance

Ref No. 9107200003

CHARGERS

PERFECTCHARGE MCA

IUOU automatic chargers

Starter batteries and supply batteries are designed for different tasks. To start the engine, starter batteries must initially supply a high current level and will then serve as an energy buffer with smaller partial cycles. Supply or on-board batteries, in contrast, are discharged at lower current levels over longer periods of time and then charged again. This means they are subjected to considerably higher loads.

These special features must be considered by the charging technology to protect the batteries from damage and ensure they have a long service life. The IUOU battery chargers function using a unique six-stage charging cycle. They provide optimum charging for all gel, AGM and wet batteries, because they charge quickly and gently at the same time.

DOMETIC PERFECTCHARGE MCA1215

Battery charger

- 15 A charger
- Gentle charging of 12 V batteries with optimised 6-stage IUOU charging technology
- Simultaneous charging of one battery plus the starter battery
- Very compact design, light weight and easy to install
- Sleep mode for quiet charging at half power - ideal at night or in parking spaces with low electrical circuit protection
- Compatible with the Dometic MPC 01 battery controller for perfect power management

Dimensions (W x H x D) mm: 179 x 63 x 238

Weight: 1.6 kg

Ref No. 9108400809

DOMETIC PERFECTCHARGE MCA1225

Battery charger

- 25 A charger
- Gentle charging of 12 V batteries with optimised 6-stage IUOU charging technology
- Simultaneous charging of one battery plus the starter battery
- Very compact design, light weight and easy to install
- Sleep mode for quiet charging at half power - ideal at night or in parking spaces with low electrical circuit protection
- Compatible with the Dometic MPC 01 battery controller for perfect power management

Dimensions (W x H x D) mm: 179 x 63 x 238

Weight: 1.7 kg

Ref No. 9108400810

DOMETIC PERFECTCHARGE MCA1235

Battery charger

- 35 A charger
- Gentle charging of 12 V batteries with optimised 6-stage IUOU charging technology
- Simultaneous charging of one battery plus the starter battery
- Very compact design, light weight and easy to install
- Sleep mode for quiet charging at half power - ideal at night or in parking spaces with low electrical circuit protection
- Compatible with the Dometic MPC 01 battery controller for perfect power management

Dimensions (W x H x D) mm: 179 x 63 x 274

Weight 1.9 kg

SINEPOWER

Pure sine wave inverters and DC kits: 230 V on the road

Dry your hair, brew an espresso, watch your favourite movies as you would at home. Travel with all the amenities you love. Your SinePower sine wave inverter will gladly deliver the perfect voltage.

Simply select the model to suit your wattage needs. If you need A/C power to run your roof air conditioner while driving, check out our SinePower DC kits.

DOMETIC PERFECTPOWER MCI-150-12

Power inverter

- Compact: the size of a drinks can, it will conveniently fit in vehicle's cup holder!
- 150 W continuous output
- USB output for charging
- Overload, short circuit, high voltage and battery polarity protection system
- Low voltage shutdown
- Peak output power 250 W
- DC cigarette lighter socket

Dimensions (W x H x D) mm:
21 x 21 x 173
Weight: 0.49 kg
Ref No. 9109002373

DOMETIC SINEPOWER MSI 412

Sine wave inverter

- 230 V AC – like at home
- Suitable for supplying sensitive devices
- Quick and easy installation
- Compact design – easy to store
- 350 W continuous output
- 700 W peak output

Dimensions (W x H x D) mm:
124 x 49 x 199
Weight: 0.8 kg
Ref No. 9108400851

DOMETIC SINEPOWER MSI 912

Sine wave inverter

- 230 V AC – like at home
- Suitable for supplying sensitive devices
- Quick and easy installation
- Compact design – easy to store
- 800 W continuous output
- 1600 W peak output

Dimensions (W x H x D) mm:
197.5 x 94 x 291
Weight: 3 kg
Ref No. 9108400812

DOMETIC SINEPOWER MSI 1812T

Sine wave inverter

- 230 V AC - like at home
- Suitable for supplying sensitive devices
- With battery saving mains priority circuit
- Compact design - easy to store
- 1600 W continuous output
- 3200 W peak output

Dimensions (W x H x D) mm:
197.5 x 94.3 x 406
Weight: 6.5 kg
Ref No. 9108400813

ACCESSORIES

DOMETIC SINEPOWER ACCESSORY MCR-7

Remote control

- Inverter operation by remote control
- On/Off and sleep mode switch
- Standby and power-save modes indicated by LED
- LED error indication (over-voltage, low voltage, overheating, short circuiting)
- Battery voltage indicator

Dimensions (W x H x D) mm: 130 x 120 x 25
Weight: 0.4 kg
Ref No. 9108400852

DOMETIC SINEPOWER ACCESSORY MCR-9

Remote control

- Inverter operation by remote control
- On/Off and sleep mode switch
- Standby and power-save modes indicated by LED

Dimensions (W x H x D) mm: 58 x 72 x 25
Weight: 0.04 kg
Ref No. 9108400853

BATTERIES

DOMETIC PLB40

Portable lithium battery, 40 Ah

The Dometic PLB40 Ah Lithium Iron Phosphate battery delivers high levels of mobile power – This means that one full charge of the PLB40 allows campers to get the most out of their trip when they're living mobile. Designed for powering portable fridge/freezers and other 12 V appliances while being off-grid. Thanks to its lightweight and compact design you can enjoy true independence and travel off-grid for longer.

- Enables you to travel off-grid for longer
- Three-way charging via 12 V socket, solar panel or AC house power
- Extremely lightweight, ergonomically designed stainless steel carry-handle
- Built-in LCD screen displays: capacity, charging status and output
- Specifically designed for Dometic CFX and other powered fridge or freezers
- Powerful battery cells provide 512 Wh of energy, 40 Ah
- IP44 rated to withstand wet, windy or dusty conditions.

Dimensions (W x H x D) mm: 197 x 257 x 197

Weight: 7.54 kg

Ref No. 9600009460

The Dometic PLB40 was a winner of the iF DESIGN AWARD 2019, a world-renowned design prize. 67 independent experts from all over the world were impressed by the PLB40's powerful Lithium Iron Phosphate battery cells and lightweight, portable design. For 66 years, the iF DESIGN AWARD has been recognised as an arbiter of quality for exceptional design.

USB PORTS

Ideal for charging mobile devices

BRING TO ANY REMOTE LOCATION

Lightweight and ergonomically designed stainless steel handle

EASY TO USE

Built-in LCD screen displays charging status and output

THREE-WAY CHARGING

Via 12 V socket, solar panel or AC house power

DOMETIC COOLPOWER RAPS44

Battery pack

This is a portable heavy duty 12 V battery that is the ideal choice for running a portable compressor fridge or freezer for long periods of time. It has superior discharge and charging cycle capability with 44 amp hours.

- Dual output sockets (12 V and hella)
- 44 Ah deep cycle AGM battery cells
- Benefits of dual battery systems that are normally fitted permanently into cars, 4WD, trucks and boats, except that it is portable, for added flexibility and convenience
- Built-in charging posts for charging via 240 V DC charger (charger not included)
- 1.5 m 12 V charging lead
- Battery condition LED/test button
- Rechargeable via solar panels

Dimensions (W x H x D) mm: 230 x 245 x 227

Weight 13.5 kg

Ref No. 9105330164

SUN POWER

The Dometic PSB150 is a compact, foldable solar blanket excellent for outdoor enthusiasts seeking a simple way to maintain a charge. It's made from powerful C60 SunPower® monocrystalline cells and its portability is achieved by a build that is approximately one third of the weight of equivalent glass solar panels.

DOMETIC PSB150

Portable solar blanket

- Made from efficient C60 SunPower monocrystalline cells that ensure longevity
- Integrated with an IP65 rated, 15 A, 5-stage PWM solar charge controller that prevents the battery from over or under charging
- Can charge up to six different battery types, including lithium (LiFePo4), AGM, GEL, Wet, Calcium & LTO
- Anti-reflective ETFE coating ensures high corrosion resistance and excellent performance
- Built-in LCD screen displays system status
- Approximately one-third of the weight of equivalent glass solar panels
- Comes with 5 m Anderson connectors which minimise voltage drops, 1.5 m alligator clips and a carry bag

Dimensions (W x H) mm: 908 x 2233

Weight: 5.20 kg

Ref No. 9600010943

INFORMATIVE DISPLAY

LIGHTWEIGHT AND PORTABLE DESIGN

THE COMPLETE PACKAGE

DOMETIC PORTABLE SOLAR PS120A

Portable solar panel

- Fold up easily and is compact
- Battery temperature sensor
- Adjustable feet for optimum angle to the sun
- 12 V, 10 A heavy duty regulator
- High performance monocrystalline silicon 6.63 A output
- 5 m lead with alligator clips anderson plug connector
- Light weight at only 12.25 kg with cables and protective carry bag included

Dimensions (W x H x D) mm: 534 x 754 x 70

Weight: 12.25 kg

Ref No. 9108400883

DOMETIC PORTABLE SOLAR PS180A

Portable solar panel

- Folds up easily and is compact
- Battery temperature sensor
- Three adjustable feet for optimum angle to the sun
- 12 V, 20 A heavy-duty regulator
- High performance monocrystalline silicon 9.95 A output
- 5 m lead with alligator clips anderson plug connector
- Lightweight at only 17 kg with cables and protective carry bag included

Dimensions (W x H x D) mm: 538 x 758 x 115

Weight: 17 kg

Ref No. 9108400917

DOMETIC RTS150

Solar panel

- Easily installed to the rooftop of most recreational vehicles
- Withstands extreme wind
- Efficient monocrystalline silicon cells
- Topped with durable tempered glass
- Strong aluminium frame

Dimensions (W x H x D) mm:

670 x 35 x 1480

Weight: 12 kg

Ref No. 9600005818

DOMETIC SC1230

30 A Solar charge controller

- 3 stage intelligent PWM solar charging
- Twin USB ports
- Low voltage disconnect
- Suitable for use with a range of battery types
- Informative backlight LCD display
- Operating temperature range of -25°C - +55°C
- Multiple load control modes

Dimensions (W x H x D) mm:

181 x 100.9 x 59.8

Weight: 0.55 kg

Ref No. 9600005819

AWNINGS

DOMETIC PERFECTROOF 2500

Roof mounted awning

For vehicles of 4.5 m and over, this is one of the most compact awning solutions you'll find. With a patented locking system, it is lightweight yet incredibly robust and durable.

- Quick and easy to set up and adjust by one person
- The most lightweight awning on the market
- Patented Easy Flip Locking system securely holds support legs
- Aluminum end caps are resistant to rust, shock and impact
- For vehicle lengths of 4.5 m up to 6 m
- Made from a tough vinyl material with a transparent acrylic coating
- The optimised housing design does not affect the vehicle's aerodynamics

PATENTED FRONT RAIL

Guarantees easy access to the support legs and tight housing closure

OPTIONAL MOTOR

Completely integrated, does not extend housing, with remote control

HIGH-QUALITY AWNING CLOTH

Made of one piece – no welding seam

DOMETIC PERFECTWALL PW 1500

Wall mounted awning

This robust wall awning is ideally suited for large vehicles. The patented automatic front rail allows it to slide in and out smoothly. Aluminum end caps for heavy impact resistance.

- Easily set up by just one person
- One of the lightest awnings for large vehicles
- Support legs with patented Easy Lock Flipper to secure the awning
- Heavy duty UV-protected reinforced vinyl
- Telescopic crank
- Great quality with 100 % aluminum end caps

Colours The colour in the above images should be used as a guide only. For exact fabric colour, see your Dometic dealer.

Dometic is a global market leader in branded solutions for mobile living in the areas of Climate, Hygiene & Sanitation and Food & Beverage. Dometic operates in the Americas, EMEA and Asia Pacific, providing products for use in recreational vehicles, trucks and premium cars, pleasure and workboats, and for a variety of other uses. Dometic offer products and solutions that enrich people's experiences away from home, whether in a motorhome, caravan, boat or a truck. Our motivation is to create smart and reliable products with outstanding design. We operate 28 manufacturing/assembly sites in 11 countries, sell our products in approximately 100 countries and manufacture approximately 85% of products sold in-house. We have a global distribution and dealer network in place to serve the aftermarket. Dometic employs approximately 8,200 people worldwide, had net sales of SEK 14.0 billion in 2017 and is headquartered in Solna, Sweden.

E & OE. Please note: Dometic may introduce modifications to products, therefore details herein are subject to change without notice. No liability is accepted for errors. Printing processes may not depict colour accurately.
